Reward for son who enters a Madressah

It is reported that there was Qadi who passed away. Before he died, his wife was also pregnant. A boy was born soon afterwards. When he grew a little, his mother sent him to a Madressah to study Islam. The miracle is that when he entered the Madressah, the punishment on his father was immediately lifted in the grave. In fact, at that moment, Allah Almighty declared to Jibr'aeel Ameen, "O Jibr'aeel! It is not fitting that a person whose child is making our Dhikr should be punished in the grave. Go to this person and congratulate him on the birth of a son." This was then carried out by Jibra'eel Ameen.
